The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Goverumont, of business, and of social life especially in China. She has no postal system, and her only means now of commuuicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter

No enterorise commends itself as in a greater degree renumerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald, Tribune, World, Times, Post, Express, Independent*, and in the Philadelphia *North American, Press, Ledger, Inquirer, Age, Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

DEMOCRATIC PLATFORM.

1. That the federal government is limited in power to the grants contained in the Federal Constitution; that the exercise of doubtful constitutional powers is dangerous to the stability of the government and the safety of the people, and the democratic party will never consent that the State of Pennsylvania shall surrender her great right of local self-government.

2. That the attempted ratification of the proposed fifteenth amendment to the Federal Constitution by the radical members of the last legislature, and their refusal to submit the same to a vote of the people, was a deliberate breach of their official duty and an outrage upon every citizen of the State, and the resolution making such ratification should be promptly repealed and the amendment submitted to the people at the polls for acceptance or rejection.

3. That the Democratic party of Pennsylvania is opposed to conferring upon the negro the right to vote, and we do emphatically deny that there is any right or power in Congress or elsewhere to impose negro suffrage upon the people of this State in opposition to their will.

4. That reform in the administration of the federal and State governments, and in the management of their financial affairs is imperatively demanded.

5. That the movements now being made for the amelioration of the condition of the laboring man has our most cordial co-operation.

6. That the legislation of the late republican Congress "outside of the Constitution," the disregard of the majority therein of the will of the people and sanctity of the ballot box, in the exclusion from their seats in Congress of representatives clearly elected, the establishment of military governments in States in the Union and the overthrow of all civil governments therein, are acts of tyranny and usurpation that tend directly to the destruction of all republican government and the creation of the worst forms of despotism.

7. That our soldiers and sailors, who carried the flag of our country to victory must be gratefully remembered, and all the guaranties given in their favor must be faithfully carried into execution.

8. Equal rights and protection for naturalized and native-born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers and furnish an example an encouragement to people struggling for national integrity, constitutional liberty and individual rights.

9. That the present internal revenue and taxing system of the general government is grossly unjust, and means ought at once to be adopted to cause a modification thereof.

The report was accepted and unanimously adopted.

The Registry Law.

A LUCID EXPLANATION OF ITS PROVISIONS.

Read and Keep for Future Reference.

For the purpose of showing you what you will have to do this fall in order to vote, we have had the following exposition of the new election law, (or as it is called the Registry Law,) prepared for your use. We call the special attention of naturalized voters to the provisions concerning them. They are picked out to be specially worried before they can vote; and finally, when they are allowed to vote, their certificate of citizenship is to be marked on the back, like a store due bill every time it is traded on, with the word "voted" and the date. The same party that passed this law, passed one similar last year, (1866,) which the Supreme Court declared unconstitutional. This law is in spirit unconstitusional no doubt, too, inasmuch as it necessarily obstructs the freedom of voting and worries the voter in yielding up his franchise, particularly in this county, where a separate ticket for all the townships county and State officers must now be voted, will it prevent and obstruct the exercise of the right of suffrage guaranteed by our constitution? But read the exposition of the law for yourselves.

I. On the first Monday of June the assessors are to begin a revision of the transcripts of names furnished them by the county commissioners. This duty consists of the several particulars following:

1. Strike out the name of every person whom the assessor knows personally or by reliable information, to have died or removed from the district since the last previous assessment.

2. Add the name of any qualified voter whom the assessor shall know, personally or by reliable information, to have removed into the district since the last previons assessment.

3. Add the names of all persons who shall claim to be qualified voters in your district; assess them with a tax, and ascertain by inquiry upon what ground the person so assessed claims to be a voter. This duty involves no discretion upon the part of the asssessor. He is not to decide upon the claimant's right to vote, but only to report his name and the grounds of his claim.

4. The assessor is next to visit every dwelling house in his district, and make careful inquiry if any person whose name is on his list has died, or removed from the district, and if so, take his name from the list; or whether any qualified voter resides therein whose name is not on his list, and if so, to add the same thereto, and assess him with a tax. In this instance the assessor is to judge the claimant's right to vote, for he is only to add "qualified voters," whom he discovers by visiting each dwelling.

5. Upon the completion of this work the assessor is to make out a list, in alphabetical order, of the white freemen above twenty-one years of age claiming to be qualified voters in the ward, borough, or district of which he is assessor, and opposite each of said names state the following particulars:

a. Housekeeper or not a housekeeper.

b. If a housekeeper, the number of his residence, with the street, alley, lane or court, if in a town where houses are numbered; if not, then the street, alley, lane or court on which the house fronts.

c. The occupation of the person, and where he is not a housekeeper, the occupation, place of boarding, and with whom, and if working for another, the name of the employer.

Opposite each name write the word "voter."

e. If the person claims the right to vote by reason of naturalization, he must exhibit his certificate to the assessor, unless he has been five consecutive years next preceding a voter in said district, and in all cases where the person has been naturalized his name shall be marked with the letter "N;" where he has merely declared his intention to become a citizen his name is to be marked "D. I.;" where the claim is to vote between the ages of twenty one any twenty two, the word "age" is to be added to his name, and if he has removed into the district since the last general election the letter "R" is to be placed opposite his name.

f. A separate list of all new assessments, and the amounts assesed upon each person, is to be immediately furnished to the county commissioners, together with the general list revised and corrected, as aforesaid.

On receiving back from the county commissioners duplicate copies of said list with the observations and explanations noted as aforesaid, the assessor, prior to the first day of August, is to place one copy on the door, or other conspicuous part of the house where the election is required by law to be held, and to retain the other in posession, for the inspection, free of charge, of any resident of the district.

h. The assessor is to add, from time to time, to his list the names of any one claiming the right to vote, mark opposite the name the letters "C. V.;" assess a tax and note as in other cases, his occupation, residence, whether a house-keeper, or a boarder, and with whom he boards, and whether naturalized, or desiging to be, marking in all such cases the letter "N," or D. I.," opposite his name. If the person claiming to be assessed be naturalized, he must exhibit his certificate to the assessor; if he designs to be naturalized before the next election, he must exhibit his certificate of declaration.

i. In all cases where any ward, borough, township, or election district is divided into two or more precincts, the assessor shall note in all his assessments, the precinct in which each elector resides, and make a separate return for each precinct to the county commissioners, and when he receives back the duplicate copies, one of them is to be put upon the election house, of the precinct.

j. On the tenth day preceeding the second Tuesday of October, the assessor shall "on the Monday immediately following," return to the county commissioners the names of all persons assessed by him since his former return, noting the observations and explanations before specified, and it shall not be lawful for any assessor to assess any tax within ten days next preceding the second Tuesday of October.

k. Assessors have power to administer oaths, and are to be paid by the county commissioners for the time necessarily spent in performing the duties imposed by the act.

II. The county commissioners have various duties to preform under the Registry law, but as they have counsel to advise them it is not necessary to set forth their duties in this exposition.

III. As to election officers. They are to open the polls between the hours of six and seven, a. m., on the day of election. Before six o'clock in the morning of second Tuesday of October they are to receive from the county commissioners the registered list of voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said list, unless he shall make proof of his right to vote a follows:

1. The person whose name is not on the list, claiming the right to vote, must produce a qualified voter of the district to swear in written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

2. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he had paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall statewhen and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

3. If the applicant be a naturalized citizen he must, in addition to the foregoing proofs, state in his affidavit when, where, and by what court he was naturalized, and produce his certificate of naturalization.

4. Every person, claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote; and on the vote of such person being received, the election officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate, except where sons are entitlad to vote upon the naturalization of their father.

5. If the person claiming to vote who is not registered shall make an affidavit that he is a native born citizen of the United States, or, if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district ten days next preceding the election, he shall be entitled to vote though he shall not have paid taxes.

IV. As to the voters. 1. Any qualified citizen of the district has a right to challenge any voter, though his name be on the registry list, and the election board are required to receive the proofs publicly, and to admit or reject the vote according to evidence.

2. On the petition of five or more citizens of the county, stating under oath that they believe that frauds will be practiced at the election about to be held in any district, it shall be the duty of the court of common pleas, or of a judge thereof, to appoint two judicious, sober and intelligent citizens to act as overseers of said election, who are to belong to different parties, except where both inspectors belong to the same political party, and then the overseers are to be taken from the opposite political party, and then the overseers are to have the right to be present with the officers of elections, to keep a list of voters, to challenge voters, and generally to perform the same duties as inspectors.

The act is full of penalties and forfeitures; but as these are to be enforced by courts of justice, it is not necessary to set them forth for the guidance of assessors, election officers and voters. A popular election will be very difficult if all the provisions of the law be strictly enforced. Indeed, it is not easy to see how election officers are to find time to receive the ballots of the qualified voters in some precincts, if they investigate thoroughly all the issues that may be brought before them; and when it is considered that all the elections are to be thrown upon the general election, and that seperate tickets are to be voted for State, county, township and municipal officers at the same time that judicial questions are to be investigated and decided, it is apparent that many citizens will be liable to lose their chance to vote unless they are vigilant and vote early.

Every man should see for himself that he is registered, taxed, and if he is a naturalized foreigner, that he is provided with his proper papers. The law will bear, as it designed to do, very heavily on naturalized citizens. It creates all possible obstructions to their exercise of the right of saffrage, and nothing but vigilance and perseverance on their parts can secure their rights. "The price of liberty is eternal vigilance."—*Luzerne Union.*

JUDGE PACKER,S LETTER.

Nothing will better satisfy the people of Pennsylvania as to the ability of the Democratic candidate for Governor than his letter of acceptance. Judge PACKER makes no pretensions to oratory and very frankly says that his pursuits and training have not qualified him for speech making, but it is evident to any unbiased mind that he is not deficient in the art of composition. He has boiled down into a few short sentences the great principles which he announces for his guidance in case he is entrusted with Executive power. He shows that he has a just appreciation of the real wants of the State, and that he has his eyes wide open to the abuse which have crept into the State Administration. All good men will see in this enunciation of principals the comprehensive grasp of a statesman and the devotion of a noble Pennsylvanian to the interests of his adopted Commonwealth.

Conservative citizens of Pennsylvania, look at the ends for which this honest man says he will labor. He has crystalized his principles into gems of perfect beauty and utility. Here they are:

The preservation of the State credit.

And again:

The reduction of the expenses of the State government to their lowest practicable point, thereby lessening the burdens and taxation of the people.

And again:

The encouragement of a liberal system of improvements for intercourse and trade, in order that production may be increased, labor more amply rewarded, and general prosperity secured.

And again:

The just execution of the laws (involving a cautious and sparing use of the power to pardon offenders) so that good faith shall be kept among the people, and crime be repressed.

And again:

The promotion of the education of our youth by a general system of organized shools, and by special institutions of learning, so that knowledge and virtue shall become more and mroe the solid foundations of our free political system.

And again:

The restoration of purity and character to our government by putting down or preventing of special and currupt legislation, and of all improper uses or management of the public funds.

And, lastly:

To these general objects, however, should be added a careful attention by government to the interests of labor. Having earned my bread by the labor of my hands during many, and, I may add, the happiest years of my life, and owning whatever I possess (under the providence of God) to patient and honest toil, I can never be unmindful of the interest of those with whom my entire life has been associated.

Who can read this platform, on which Asa Packer stands as a candidate, and not subscribe to it? One of the most trying evils which has fallen upon us is that of special legislation. To this Geary is committed. He is in league with the currupt Ring which originates and passes all the low "jobs" which disgrace our statute books. He cannot refuse to consummate their currupt schemes for he has sold himself, body and soul, to these political vultures.

But Judge Packer will not live in such an atmosphere. These lobyists will not dare to taint the air he breaths. Honest himself, he will insist upon hoaesty in others. Consequently, all those currupt schemes, which have for their object the aggrandizement of the few at the expense of the many, will find in him an uncompromising foe. Like Governor Hoffman, of New York, he will set his face against special legislation, and give the Legislature an opportunity to pay attention to the interest of the whole people, instead of consuming the time and spending the money of the public for the benefit of individuals and private corporations. Good people of Pennsylvania, such a Governor it is that we need. Will you help to put him in the Executive chair? —*Ex.*

Josh Billings says: You ain't obliged to ask a gal's mammy if you may go home with her from the partee; git the gal's konsent, and sail in; its proper enuff to ask her to take your arm; but, mind you, hev no rite to put your arm around her waste unless you meet a bear on the road, and then you are bound to take your arm away jest as soon as the bear gets safely by."

A countryman who had never paid more than twenty-five cents to see an exibition, went to a city theatre one night to see the "Forty Thieves." The ticket-seller charged him seventy-five cents for a ticket. Passing the pasteboard back, he quietly remarked: "Keep it, mister; I don't want to see the other thirty-nine," and out he marched.

The managers of a theater in London having resolved to exclude chilpren under five years of age, have established a sort of temporary nursery in which they can be takan care of while their mothers are amusing themselves. Fancy a mother exchanging her child for a check, as her husband does his hat and over-coat!

FOR THE CAMPAIGN!

RALLY IN YOUR MIGHT!

Read, Think and Act!

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall *understand* the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at the following low rates:

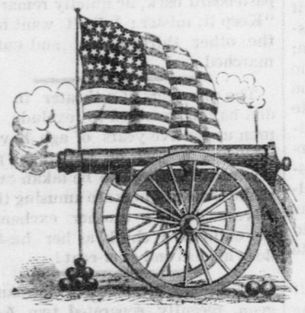
One copy	$0.50
Three copies	1.20
Five copies	1.75
Ten copies	3.00
Twenty copies	5.00

In all cases the cash must accompany the order. We respectfully ask the active men of our party to get up clubs for the campaign at every post-office in the county. In no other way can the good cause be more effectively supported than by the circulation of Democratic newspapers. It ought to be an easy matter to raise a club of twenty at any post office. Address MEYERS & MENGEL, Bedford, Pa.

GEARY'S PLATFORM.

Resolved, That we wholly approve the principles and policy of the administration of General Grant, and we heartily endorse every sentiment contained in his inaugural address, *and especially do hereby ratify and approve the late amendment to the Constitution of the United States proposed by Congress, known as the Fifteenth Amendment.—Radical Platform adopted at Philadelphia, June 24, 1869.—See Bedford Inquirer of July 2.*

OPENING RALLY!



Mass Meeting of the Democracy of Bedford County!

RATIFICATION OF THE NOMINATION OF PACKER AND PERSHING.

All who are in favor of wresting our good old commonwealth from the hands of a "Radical Ring" of corruptionists, are requested to attend the ratification meeting to be held at the COURT HOUSE, in Bedford, on MONDAY EVENING, SEPTEMBER 6, 1869.

All who are in favor of Retrenchment and Reform in our National and State governments are requested to come.

Let the PEOPLE rally in their might and prepare for the great victory over fanaticism and corruption in Pennsylvania.

Able speakers have been invited to address the meeting.

EDWARD F. KERR,
Ch. Dem. Co. Com.

DEMOCRATS, organize! Go to work! In 1866 we increased our majority in this county over what it was the year before. In 1867 we increased over 1866. In 1868 we increased over 1867. Last year after the hardest fight that ever was given us, or ever will be given us, our majority was 400. This year we can make it 600, at least. We have a splendid State ticket, and our district and county nominations are excellent. Roll up your sleeves, men, and go into the fight, this time, to win! Organize! Organize!

FORNEY says that "Pennsylvania's decree for Packer would be a blow at the policy of Grant for which nothing could compensate." That blow will be delivered, just as sure as the election comes round. Geary in less than two years has sunk seven millions of dollars, all of which is unaccounted for, except some seven hundred, which Ilyus swears he got for doing nothing. The people are determined to find out what went with the rest of it.

WHO gets the interest on the balance of one million and upwards in the State Treasury?

AN ORGAN OF THE THIEVES.

The "Inquirer" Sold to the Ring!

The last issue of the Bedford *Inquirer* proves exactly what we predicted concerning that sheet when it "assumed a virtue," last winter, in pretending to discountenance the operations of the *Radical Ring* at Harrisburg. The *Inquirer*, not six months ago, admitted the extravagance and corruption of its party in the legislature, and in its pretended despair, asked, Is there not *one* man to be found who will stand up against these corruptions? It has, now, apparently forgotten the disgust it effected when the twenty seven "additional pasters and folders" were provided for the legislature, at a cost of at least $20,000 to the tax-payers. In answer to a charge in the Harrisburg *Patriot*, that in two years SEVEN MILLIONS of dollars, over and above the payments of the State Debt, had been expended by Gov. Geary's administration, the *Inquirer* does not deny the correctness of the figures, but says that these Seven Millions were applied to the expenses of the State Government, and with an affectation of innocence that is as refreshing as a breeze from an iceburg, it declares that the "wonder is, not where did the money go, but how did the republicans manage to carry on the Government so economically," &c.!!!

Now, the *Inquirer* knows all about the fraud by which the extra "pasters and folders" were quartered on the treasury. It complained of the outrage at the time when it was perpetrated. Does it dare, now, to face about and eat its own words? We do say, and the Auditor General's Reports prove, that during the first two years of Governor Geary's administration, upwards of *Eleven Millions of Dollars* were received into the State Treasury. In Geary's last annual message it is claimed that a little upwards of *Four Millions* of the State Loans had been taken up, which of course, leaves *Seven Millions* for other expenditures. Now the Harrisburg *Patriot*, the GAZETTE, and nearly every Democratic paper in the state, have called on the radical press to give the public the *items* of these expenditures. This request has been refused, because the publication of these items will damn to eternal infamy the radical legislatures of the last three years as well as Gov. Geary's administration. The question still is, *What has become of the Seven Millions?*

The *Inquirer*, taking its cue from the Harrisburg *Telegraph*, a sheet which never tells the truth except when a lie will not answer its purpose, says that "the interest on the state debt in those two years exceeded four and a half millions," and claims that this sum must be deducted from the Seven Millions. It is simply not true that the interest on the State Debt amounted to four and a half millions in 1867 and 1868; but no matter what it amounted to, it *was not paid out of the Seven Millions, but mainly out of the loan made in* 1867. That loan amounted to *Twenty Three Millions of Dollars*, and was made for the ostensible purpose of taking up a portion of the old loans. The Auditor General's Report for 1867, shows that not quite *Twenty One Millions* of this loan was applied to the redemption of the old loans, leaving upwards of *Two Millions* of it to be paid on the interest on the State Debt. Hence the allegation of the *Inquirer* that a large portion of the Seven Millions was paid out in interest on the State Debt is false. We refer the reader to the reports of Auditor General Hartranft for 1867 and 1868, for the verification of our statements.

"The wonder," therefore, is still, "where did the money go?" The *Inquirer* alleges that we make no allowance for "necessary expenses of the government," &c. Yes, we do; but we want to know to what the *unnecessary* expenses amounted. We want to know how much more the legislature and executive department, and Treasury department, cost than they ought to cost. The *Inquirer* will admit that a Radical administration ought not to cost more than a Democratic administration. Very well. The cost of the last Democratic administration, (that of Gov. Packer) in 1860, was $401,863,41. Double this, and you have $803,726.82, eight hundred and three thousand seven hundred and twenty six dollars and eighty two cents, the cost of a Democratic administration in two years.—Now, take this sum from the Seven Millions, and upwards of *Six Millions* remain. "The wonder" still is, "where did the money go?"

But the *Inquirer* alleges that appropriations for the Common Schools and Soldiers' Orphans' Schools must be deducted from the Seven Millions. Well, let us deduct them. For the years 1867 and 1868, those appropriations amounted to $1,604,001.11. Take this amount from the Six Millions and upwards above remaining, and we still have *Four Millions Five Hundred Thousand Dollars* unaccounted for. Now let us take the amount of appropriations to charitable institutions and as pensions and gratuities during the years 1867 and 1868, from the above remainder. By the Auditor General's Reports for those years we find the amount of these appropriations to have been (exclusive of the appropriations to Soldiers' Orphans' Schools, already deducted above) $501,702,66; leaving just about *Four Millions* after deducting all the credits the *Inquirer* claims. Will that paper now inform us what became of the remaining *Four Millions?* We have made all the deductions it claims, and yet we find that *Four Millions of Dollars* are unaccounted for. Until the *Inquirer* explains whither this sum has gone, people will believe that it was squandered and stolen by Radicial officials at the state capital; and if the *Inquirer* continues to defend the conduct of those corrupt officials, people will naturally conclude that it has been bought for a price by the Radical Ring at Harrisburg. Let it show where the *Seven Millions* have gone, or hold its peace. Show up, or shut up!

Why don't they tell the people that, in less than ten years, in spite of a copperhead rebellion, the Republican party have paid off Twenty Millions of the State debt and *released* all the Real Estate of the State from Taxes?—*Inquirer.*

Because if we did we would tell the people a bare-faced lie.

In December, 1860, the State Debt was $37,969,847.50. In December, 1868, it was $33,286,946.13. This shows a decrease of $4,682,901.37. See Auditor General's Reports for 1860 and 1868.

Now, during these eight years the Radical party have had the advantage of the sale of the public works and of a much larger revenue than formerly from other sources. The receipts into the Sinking Fund, during these eight years, have been upwards of *Twenty Five Millions* which ought to be, but which is not the measure of the reduction of the State Debt. In 1867 a loan of *Twenty Three Millions* was made. And yet but the pitiful sum of $4,682,-901.37, has been paid on the State Debt! All the balance of these immense collections from the people have been devoted to other purposes, radical sneak-thieves getting their full proportion of them.

Gov. Packer, during the last year of his administration, reduced the State Debt $691,757.89, though the receipts into the Treasury that year were not much more than half what they have been, annually, during radical administrations. Nor did Gov. Packer resort to a loan, as Gov. Geary has been compelled to do. And this loan of $23,000,000, be it remembered, was made at *six* per cent, in order to replace the old one at *five*. Is this not so, MR. *Inquirer?* Deny it, if you can!

It is false that the radical party have released all the Real Estate of the State from taxes. The only change that has been made is *to compel the county commissioners to pay State Tax on Real Estate out of the county levy.* This is whipping the devil 'round the stump with a very long lash. For several years past the Commissioners of this county have had the most obstinate struggles with the officials at Harrisburg, to save the county from imposition in the collection of State taxes. Last year, through the efforts of their Attorneys, Messrs. Russell and Meyers, they succeeded in saving the tax-payers of the county about *two thousand dollars* wrongfully and fraudulently claimed by the State.

No! no! The people of Pennsylvania pay almost *two millions of dollars* more per annum in the shape of State taxes, under Radical rule than they did under Democratic Administrations. We can prove this by the record. In the year 1860, the last year of Gov. Packer's administration, the receipts into the Treasury from all sources, were, $3,479,257.31. See Auditor General's Report for 1860, page 6. In the year 1868, the receipts into the Treasury, were $5,216,049,55. See Auditor General's Report for 1868, page 6.

Now, the statements, we have here made are incontrovertible. The *Inquirer* man has an idea that his readers will believe any thing he says, and, therefore, he utters the most reckless and unqualified falsehoods. We have here proved him *a liar;* and now we will forfeit *One Hundred Dollars* in greenbacks, to any man, who will show to an impartial tribunal that there is a single mis-statement in this article. Here is a chance to make money easy. Come on, Lutz and the rest of you!

The Radical Governor of Illinois, Gen. Palmer, addressed a meeting of his party in that State, the other day, in a speech in which he took the true States' Rights ground. "He avoided," to use the language of the associated press, "the suffrage question and the Fifteenth Amendment, for the reason that he opposes the surrender of State control of suffrage to Federal authority." The Radicals can ill afford to lose the support of so influential a personage as Gov. Palmer, in their crusade against the reserved rights of the people. They are already greatly demoralized, but another such a fire in the rear as this speech of Gov. Palmer will scatter them like a flock of scared turkies.

YES! YES!

THE *Inquirer* wants us to turn our attention to the county finances. It doesn't care to hear anything about the State finances. Very well. Yes, we shall turn our attention to the county finances.

There is one subject, in particular, connected with the county finances, that we shall ventilate for the benefit of the *Inquirer*.

Has the editor of that sheet heard of the *Registry Law* passed by the last Radical legislature, signed by Governor Geary and declared constitutional by Judge Willaims?

Will he please inform his readers that the excution of that law will cost the taxpayers of Bedford county, at least $2,000?

Will he please show these tax-payers how they are to be benefited to the amount of $2,000 by the enforcement of this law in Bedford county?

Will he please tell the naturalized voters of his party that *they* are to be taxed to pay these $2,000, for the execution of this *Registry Law*, in order that they may be put to as much trouble as possible in reaching the ballot-box?

After the editor of the *Inquirer* shall have thus enlightened his readers, we shall give him some further insight into the condition of the county finances. Show up, or shut up!

MORE ABOUT THE FINANCES.

By an Act of Assembly passed April 10, 1867, and signed by John W. Geary, W. M. Hall, David Derrickson and Wayne McVeagh were appointed Commissioners to revise the Civil Code of the State, at the snug little salary of $3,000 per year to each.

It is now two years and five months since these Commissioners have been appointed. They have drawn $6,000 each, in all $18,000. But the revised Civil Code is yet in shapeless embryo.

We do not know what Derrickson and McVeagh are doing. They may be "revising" furiously all this while. As for Hall, we know what he is about. He is abusing the Democrats and drawing his salary. THREE THOUSAND A YEAR for William M. Hall, from the taxpayers of the Commonwealth! Three thousand a year for setting at home and playing Commissioner to revise the Civil Code! No wonder Hall is for Geary. A great many others would be, for three thousand a year.

How say the people? Will they re-elect Geary so that W. M. Hall may continue to get his $3,000 a year? Or will they spoil that little job, by electing Asa Packer, who will put an end to such legalized robbery of the people's taxes?

THE DOG TO HIS VOMIT.

The *Inquirer* returns to its stale charge against the late Treasurer of the Poor House, like a dog to his vomit. What is wrong about that matter now? Mr. Blymyer, on settlement with the Poor Directors, several years ago, fell in debt to the county some $7,000, including interest. Like an honest man and a Democrat, as he is, he at once secured the county for the amount which he owed, and has since repaid, with interest, every cent of that sum. Mr. Lutz, in order to make a little political capital, now re-opens this subject, which was fully discussed and disposed of two years ago.

The *Inquirer*, also, asks, "How about the present Poor House imbroglio?" Aha! Is that what you want to know. We can name a few men who will tell you all about it. Ask Mr. Longenecker, ask your Radical legislature, ask Judge Rowe! They can tell you "who is to pay the piper," as well as *why* there is a piper to pay.

THE general cry in this State is give us a change of rulers. Any change must be for the better. We have had our fill of taxation, of rottenness, fraud and corruption. We have given the Radical party a fair trial. For eight long, weary years we have permitted it to control our affairs at the discretion of its leaders, and what have been the results? A State whose industrial interests are paralyzed, whose people are taxed to the topmost notch, and whose varied products are cheapened by unwise legislation. Well may the taxpayers exclaim any change must be for the better.

GEN. GRANT was called the soldier's friend, but since his accession to power he has turned nine-tenths of the soldiers appointed by Johnson out of their places and put in civilians. In many cases mained white soldiers have been dismissed to make room for lusty negroes.

THE Radicals are evidently scared about the XVth Amendment. The tone of their journals indicate that there is danger of its failing. We are sure, it will be defeated, if the Democrats keep hammering away against it. What will become of the Republican party then? That's what's the matter.

REMEMBER that Geary stands square on the Fifteenth Amendment. Every vote for him, is a vote for *forced* Negro Suffrage in Pennsylvania.

THE SPREAD OF CORRUPTION.

Our whole system of government is now being regulated to benefit the few at the expense of the many. Men go to Washington to get laws passed by which a few individuals are enabled to make millions, and for such objects, it is not for a moment to be doubted, but that the cajolery which walks openly in the lobbies has a twin brother of bribery prowling near it in secret.—One interest after another clamors for protection, until the Congressional legislation of last session became a mere agency to confer upon a wealthy few the power to oppress and cripple the energies of the great mass of our people.

Such a system, says the Philadelphia *Evening Herald*, leads our legislators into temptation; it turns the heads of our manufacturers, and teaches them that wholesale competition is enmity and injury, and ought to be destroyed by law. It sets them speculating upon the means of making the governmental machine subserve their private purposes; and having once entertained this notion, they become very naturally anxious to increase the powers of the machine they intend to use. They associate themselves consequently with other schemers having similar interests. One interest plays into the hands of the other, and the combination operates fatally upon the integrity of the legislative body. The lobbies of both houses of the last Congress groaned with projects seeking the aid of Government by high duties, subsidies, land grants, guarantees, etc., and the favors thus to be granted were expected to be secured by the enormous power of corruption brought to bear upon the members. Those who could not be influenced by pecuniary favors were dazzled by the pledges to promote the aspiration of their political ambition. Venality in one shape or the other ruled and controlled the legislative action of the last Congress, and as it was in the days of Rome in her decline so is it at Washington—"all things are for a price."

Just look what these powerful, unscrupulous agencies have induced Congress to do in the last four years. Already thirty million of acres of the public domain are in the hands of speculators. In addition, Government has donated to Pacific railroads one hundred and twenty four millions of acres, and to other railroads fifty-seven million; to the States over sixty million, and the cry is still the cry of the daughters of the horse-leech, "Give! give! give!" Like the circle in the water, the sphere of corruption enlarges, and it is involving every interest in this land. It was said that Grant would set his face like flint against these corruptions; but his intimate friends and associates are among the men whose immense capital is being used to corrupt and mould the legislation of Congress in all these jobbing schemes. The whole system has become too powerful to be reached and cured by mere executive interposition, especially such a greedy, avaricious man as we now have in the Presidential chair, and the remedy alone is in the people; but, even here, the corrupting influences that sway elections appear to interpose an insurmountable barrier.

WHAT ARE WE COMING TO?

There is to-day a large amount of coal on hand at the mines, and sales are very light. People are waiting for a fall in prices. It has just been discovered that the coal men of Pennsylvania have had a meeting, and adopted such a scale of rates to miners that will force another strike, and the middle of September will find a stock on hand inadequate to the demands of the season, and prices will go up fearfully, perhaps reaching fifteen dollars per tun. In the name of common justice and the wants of humanity, cannot this terrible commercial demoralization be cured? This sort of business falls with crushing cruelty upon the poor, a class of wealth-producers, who carry the country on their shoulders, finding seven-eights of the means required to support the administration, and preserve the credit of the government.—These are the men who are pinched by these coal strikes. Is there no remedy? If not, what will all this despotism upon the poor workingmen finally lead to? Let the coal capitalists and all other capitalists, who can aid in preventing these things, reflect a little.

BUT twenty-one States so far have ratified the Fifteenth Amendment, and only seventeen have done it legally. It requires the consent of twenty-nine States to consummate the fraud. Courage, friends. Be firm, and this infamous amendment may be defeated.

The excessive heat on Friday last, was a source of complaint throughout the country. In Baltimore the thermometor stood, according to location, at 91 all the way to 96 degrees in the shade. At Washington city the highest degree reached in the shade was 101, being the same degree attained at Richmond, Va. There were several cases of sunstroke in New York.

SPECIAL NOTICES.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder and starts the secretions of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catsarh, Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood: then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each, make it not absolutely necessary to personally see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 25 Hanover Street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

LAST NOTICE.—The books and accounts of the GAZETTE Office, have been placed in the hands of H. Nicodemus, Esq., for collection. Those in arrears will save costs by settling at an early date. All accounts prior to the first of August, 1868, are included in the above.

Hon. Geo. W. Cass is stopping at the Springs.

We have no public school system now—it is vacation.

The Chestnut and Walnut crops are abundant in our county.

The Katies have begun their quarrel as to who did and who didn't.

Solferino Crystals sold at Heckerman's drug store.

Hon. Asa Packer is an honest man—"the noblest work of God."

An acre of buckwheat yields fourteen pounds of honey daily.

Read the Advertisements—they are full of information.

Pure cider vinegar, very good, at Heckerman's drug store.

Post no bills here!—has reference we take it to the milignant mosquito, as well as to bill posters.

The blackbirds are wheeling into flock, preparatory to their departure south.

Bacheloric exclamation around here—a lass! Maidenly ejaculation—ah men?

New oats is generally reported to be of full weight, and remarkably good in every respect.

H. Heckerman and Son sell all kinds of dyes much cheaper than any one else.

Success is a duty—but our people often fall short of it. It is the fall that makes the mischief.

All who want to by real estate expect to find it advertised in the BEDFORD GAZETTE.

The campaign has opened,—and the BEDFORD GAZETTE should be read by all who believe that "a white man is as good as a nigger."

The United States Treasurer has called in all the ten dollar notes owing to the successful counterfeiting of that denomination.

Laboring men of Bedford county, if you want low *taxes, good times*, and an *honest man* for governor, vote for Honorable Asa Packer, the Boatman of the Lehigh.

A republican in Carbon county, says that two out of every five republicans in that part the state will *vote* for the Honorable Asa Packer.

Our friends should remember that this fall we elect Ward and Township officers to take the places of those whose terms will expire in the Spring. Nominate good men, it will strengthen the State Ticket.

This summer is remarkable for its coolness- and has not been equalled on that line since 1816. We do not remember that far back, but, ancients tell us so.

The Greeks thought blackberries a preventive of gout. If the rule will hold good in our time we have enough left on our hillsides to preserve this country from the disease for a century to come.

A large black beetle, wearing upon its back rows of most brilliant gold dots, is the friend of the farmer. From its eggs are produced the corn-grub killer, the most inveterate foe of the cut-worm.

SAD BEREAVEMENT.—A little daughter of Mr. S. S. Diehl, of this place, died on Sunday last from the effects of eating eight "worm-lozzenges" the day before, which the child no doubt mistook for candies.

BEDFORD COUNCIL, No. 202 U. O. A. M. was instituted on Thursday night, Aug. 19, 1869, by Eli Hallenger, D. S. C. assisted by Abner Manly, Fulton Council No. 35, M. S. Bower and John M. Major, Harrisburg Council No. 100. The following officers were installed: C., T. R. Gettys; V. C., Geo. Leader; R. S., W. G. Riffle; A. R. S., T. R. Kegg; F. S., Wesly Defibaugh; T., Wm. Bowles; J., W. S. Fletcher; E., J. P. Cessna; S. P., Ed. Ferry; O. P., B. S. Fletcher. Trustees, C. N. Hickok. T. R. Gettys, W. G. Riffle.

NOW IS THE ACCEPTED TIME.—The yellow slip of paper pasted on each subscriber's GAZETTE contains his name and a date. The date indicates from what time he owes us for the paper, and as our terms are $2 in advance and $2.50 if not paid within the year, he knows exactly how much to remit us. Come forward, friends, just now is the accepted time, and send at once the amount you owe us and you will receive the printer's blessing. We stand greatly in need of the money you owe us, as we must pay our paper bills, &c., in cash, (and they are not small like the bills due us for the paper), and unless our patrons pay us punctually, we must borrow the money to enable us to send them the GAZETTE.—Come, roll in, tumble in, and don't be afraid to pay the printer, especially you who are indebted to us from '1aug65,' '13oct65,' '1aug66,' '1aug67,' and other 'ancient' dates.

MUDER IN BROAD TOP.—Pat. Mackey, a young miner, was waylaid and murdered, near Barnetstown, last Saturday evening. This cool-blooded murder has shocked the whole Mining Region.—A gang of assassins waylaying a man near a populous village at 8 o'clock, P. M. It appears that the deceased, Mackey, refused to unite in the "Miners' Association," and hence come under the displeasure of its emissaries. Four persons have been arrested, charged with the crime, and lodged in Huntingdon jail. One is yet at large, but will be followed up. Such is the liberal working of these "benevolent" societies, if a man declines to join them he must be waylaid and his scull broken with a bolt of iron. If any excitement had existed amongst the miners of the Region, this murder would not appear in all its horrible nakedness and brutal enactment, but there is general peace at present, hence its monstrous brutality, viewed from any light. One of the prisoners is reported as hurrahing for the penitentiary as he went aboard the cars for Huntingdon. The appearance and general make up of the party struck the observer forcibly by their brutal and dogged appearance.—Their faces are undoubtedly more nearly allied to the bull-dog than the Caucasian. Do the farmers of Bedford county realize that three-fourths of the profits of farming is in the wheat crop alone? Rye, oats and corn may all fail and still the farmer gets along, but let the wheat crop be a failure and how many make both ends meet at the end of the year? How important then is it to have your ground seeded at the right time and in the best way. To do this, you must own a good drill, one that will sow regularly, on all kinds of ground and that will not break, on our rocky and stumpy fields. Thousands of farmers will testify that the Willoughby Gum Spring Drill, sold by Hartley & Metzger, sole Agents for this and adjoining counties, is the only Drill that will do this.

A NOTICEABLE FACT.—That one way of appealing to a man's reason is through his eye. In these busy times men are so deeply immersed in the conduct of magificent projects, that they forget all about the condition of their system, and hence it is that the Proprietors of the Plantation Bitters, which cures Dyspepsia, purifies the blood improves the tone of the stomach, regulates the bowels, and, indeed invigorates the whole inner man, are so active in advertising. In fact, advertisements are merely sky-rockets sent up to attract attention to a really good article.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

Dr. Paul Schœppe, having been denied a new trial, was on Friday last, sentenced to be hanged, The Court crier, an old citizen of Carlisle, named William Gauld, fell dead in the Court room as the sentence was pronounced. Schœppe made a statement protesting his innocence.

LET EVERY MAN, WOMAN AND CHILD READ THIS!

Their own interests are at stake in this matter. Everybody has suffered so much from the accursed CREDIT SYSTEM, if system it can be called, that I intend to offer to everybody a panacea for the evil in the future.

On and after the first day of June, 1869, I will sell goods EXCLUSIVELY FOR CASH OR PRODUCE. No doubt some customers may be lost to me, but I flatter myself that it will be only those from whom I cannot collect present accounts.

All goods will be sold at about one-half the profit now pa'd by consumers. The people often complain of Bedford prices being higher than elsewhere, and it is doubtless true, to some extent, for the reason that good customers have had to pay for others' goods with an additional profit on their own.

Let an intelligent community sustain me in this enterprise and they WILL SAVE FROM TEN TO FIFTEEN PER CENT. ON EVERYTHING THEY CONSUME. may14m3 H. F. IRVINE.

NOTICE.—All accounts not settled by the first day of June, 1869, either by cash or note, will be put in the hands of an officer for collection. Friends will please take notice, and by so doing will save trouble and costs. may14w3 H. F. IRVINE.

OUR NEW FAMILY SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and

CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. MIDDLETON'S

WONDERFUL PAIN CURE

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.

This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton,

This is to certify that I was taken with Rheumatism, in my right shoulder, on the evening of the 8th inst., so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c., A. F. MILLER.

BEDFORD, May 17, 1869.

Mr. Middleton,

DEAR SIR:—I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

JOHN HAFER.

BEDFORD, May 13, 1869.

This is to certify that I have used "Middleton's Pain Cure," for Rheumatism, and was very much benefited by it. JOHN HARRIS.

BEDFORD, May 18, 1869.

This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,

Dear Sir:—Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others. JACOB BOWSER.

BEDFORD, May 16, 1869.

Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for 4 two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

BEDFORD, May 24, 1869.

This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used. A. B. CARN.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa., to whom all orders for the medicine should be addressed.

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

AYER'S

HAIR VIGOR,

FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these PiHs rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—*Graham's Magazine.*

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan15,'69.

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
